

North Meadow Croquet

March 1, 2009

Dear Customer,

Effective immediately, a change has been made to our Warranty on croquet sets. We will continue to replace any parts that may be defective due to materials and/or workmanship for a period of one year from the date of purchase at no charge. However, the costs to ship the replacement parts will be borne by the retailer. The croquet balls will continue to be warranted for life but with the same shipment policy.

Please, make note, any use of our sets for eXtreme Croquet will void the warranty. We will on most occasions require that a digital image be sent to verify any defect that has been brought to our attention. If you have any questions, please, contact us. Thank you.

Sincerely,

Dale Pierce
